The Listies Make You LOL!

The Listies | Australia

Desperately raucous, mischievous and very, very funny, **The Listies** are back to make you laugh out loud.

Imagine *The Young Ones* hosting *Play School* – if *The Young Ones* had downloaded two gigabytes of fart noises. Presented by the Seymour Centre in association with Sydney Festival, *The Listies Make You LOL!* features alien attacks, toilet paper guns, spew, the rudest word in the world and the most disgusting pair of undies you have ever seen in your entire life.

A few years ago **Rich Higgins** and **Matt Kelly** decided to shake up the world of kid's comedy, and *The Listies* were born. Since then they have become Australia's most sought after family comedians, receiving accolades such as a Barry Nomination for Best Show at the Melbourne International Comedy Festival (the only children's show to ever be nominated in the history of the festival) and Best Production for Children at the Sydney Theatre Awards 2013. Hilarious, messy and decidedly insane *The Listies* have sold out shows all over Australia, NZ and the UK, delighting kids and adults alike.

The Listies' stupid, messy comedy gives permission for the kids to just have fun, aiming to create a real sense of connection between young people, their adults and the performers with a rowdy good time.
